PRESIDENT: The next to speak is Senator Whitney. O.K. Thank you. Senator Syas did you want to be heard on this issue? That's fine, but your light..I'm sorry..I understand that but your light doesn't tell me that. That's my problem. O.K. any further discussion of Senator Chambers motion to suspend the rules and introduce the bill. Any further discussion. Senator Chambers do you want to close on your motion? Senator Chambers has no closing. The question is shall the rules be suspended and Senator Chambers allowed to introduce the bill. All those in favor will vote aye. All those opposed will vote no. Senator Chambers is asking permission for the introduction of the bill. That particular motion does take 30 votes. O.K. Senator Barnett. Senator Barnett. The Chair saw that. Have you all voted? I think it only fair for the chair to remind -you that it does take 30 votes to suspend the rules and for the introduction of this bill. Have you all voted? Thank you. Clerk will record.

CLERK: 30 ayes, 19 not voting, Mr. President.

PRESIDENT: The rules are suspended the bill will be introduced. The Clerk will read the title to the bill, please.

CLERK: LB 1006 (read)

PRESIDENT: The Chair recognizes Senator Syas. For what purpose do you rise, Senator?

SENATOR SYAS: I was going to ask a question, I suppose it's a point of order. I happen to be on Education Committee. Which at times of course is quite frustrating. But probably I'm part of the frustrating. But anyhow we have 2 bills in there on State Aid. You have set a bill to be heard. Senator Warner's bill on the 7th. What position..I'm asking advise. What are we going to do about the two bills then the Education Committee due to the fact it had a public hearing but no action has been taken, are they automatically dead, or just what's the ..are they inlimbo..or are they..what should we do about them now.

PRESIDENT: Your question is directed to Senator Warner.

SENATOR SYAS: Well it's directed to anybody that can answer it.

PRESIDENT: Well, let's see if we have any takers. Senator Warner. Senator Warner, do you want to take Senator Marvel's microphone there and answer Senator Syas' inquiry here?

SENATOR SYAS: See there is no use in holding a hearing since the committee hasn't had a chance to act in committee on the matter. Why that automatically does it not kill Duis's and Snyder's bills.

PRESIDENT: All right. Senator Warner do you understand the question?

SENATOR WARNER: I assume the question is that 772 is set now since the other two bills has not be acted on in the committee, what is the affect on those two bills still being held.

SENATOR SYAS: That's right.
